RESPONSE TO JURY NOTE

Dear Members of the Jury :

In response to your question whether you may use the plea agreement of co-defendant Rodriguez-Rodriguez in deciding how many counts to find Defendant Saunders guilty or not guilty of, the answer is no. You may not use a codefendant's plea agreement as substantive evidence of another defendant's guilt. As instructed, you must never consider punishment in any way to decide whether Defendant is guilty. You must follow

the law as instructed — even if you do not agree with the law — and you must follow all of my instructions as a whole.

Thank you.
